Issue Date: October 2008

Page 1 of 1

Policy Statement

The purpose of this operating procedure is to provide for consistent identification of fire department personnel on emergency scenes.

All personnel will be identified on the emergency scene.

Rank and/or training status of personnel shall be identifiable on scene by the color of helmets being worn as follows:

White – Chief Officers

Red – Fire Captains & Lieutenants

Yellow – Firefighters (completed FF1)

Blue – EMS Personnel and EMS Officer

Black – Junior, Probation, and/or completed the four basic requirements

White, red, and yellow issued helmets will be Cairns 1044 traditional style; while blue and black issued helmets will be metro style.

The use or application of non-approved hardware, decals, etc., will not be allowed on protective equipment due to possible injury.
