Policy Statement

All voting shall adhere to the guidelines established herein.

A majority of the non-probationary members of the fire district, or any board of the fire district, shall be present before voting can be held.

Each non-probationary member shall have one (1) vote except where covered elsewhere in these policies.

Any non-probationary member may request any vote to be by written ballot.

All votes in elections for officers or boards shall be by written ballot.

Voting will be determined by a simple majority of the non-probationary members in attendance at the time of the vote unless otherwise specified in these administrative regulations.
